### SLF Pool Policy Enforcement Procedure

The following is a step process for Silverleaf Lifeguards to follow when there is a behavior problem or violation of the SLF Pool Rules.

<b>First Offense</b>	The individual is asked to correct the behavior and follow the SLF Pool Rules.
<b>Second Offense</b>	The individual is asked to stay out of the pool for 30 minutes.
<b>Third Offense</b>	The individual is asked to stay out of the pool area for 1 hour. Parents are notified of the problem and informed that if there are any more behavior problems, the individual will be asked to leave the pool area for the rest of the day or as the lifeguard supervisor deems necessary.
<b>Fourth Offense</b>	The individual will be asked to leave the pool area for the rest of the day or as the lifeguard supervisor deems necessary. Parents are notified of this final event.

In case of a Major Problem or Major Offense, i.e. an individual endangering the immediate safety of themselves or others, the lifeguards have the authority to remove that person from the pool area as they deem necessary without further warning. Parents will be notified and the individual’s use of the pool for that day will be at the discretion of the lifeguards. It will become common practice to notify parents and the president of the Silverleaf HOA of individuals who continually have behavior problems or violate the SLF Pool Rules.

Note: If a non-resident displays behavior problems or violates the SLF Pool Rules and refuses to abide by the rules or leave, the Greenville County Sherriff’s Office will be called immediately for assistance.

This procedure has been reviewed and approved by the Silverleaf HOA Board of Directors.
