POOL ACCESS UPDATE

New Access Procedure!

As part of our 10 year Master Improvement Plan, work is underway to retrofit the Pool & Tennis Courts with new self-locking gates. This will enhance the security & safety of these areas. Starting in May, Homeowners and applicable renters will need to use their SmartPhone or key fob* to access the Pool and Tennis Courts.

Everyone must request access to this new system.

Previous 'Pool Access Cards' will no longer work.

Every Homeowner (and applicable renters) in good standing will be given SmartPhone access free of charge. All users must be over the age of 14. The 'Paxton 10' app, available for for iOS and Android phones, allows quick and easy access – without even having to take your device out of your bag or pocket.

*In addition, physical key fobs are available for a small \$20 fee.

To more info and to sign up for access, visit:

If you have questions or can't use the online signup form, e-mail the Board. In addition, the Board will have a "show and tell" on Saturday May 21st (12:00 – 2:00 @ Pavilion) to help with signup.

E-MAIL COMMUNICATIONS

While the private Facebook group has been a valuable tool in helping to keep the neighborhood connected, the Board understands not everyone uses Facebook. We have recently launched a new e-mail tool so residents can quickly receive important updates, reminders, and alerts. **Sign up today here:**
